## Hope for Kids and Geauga Children's Alliance announce their consolidation.

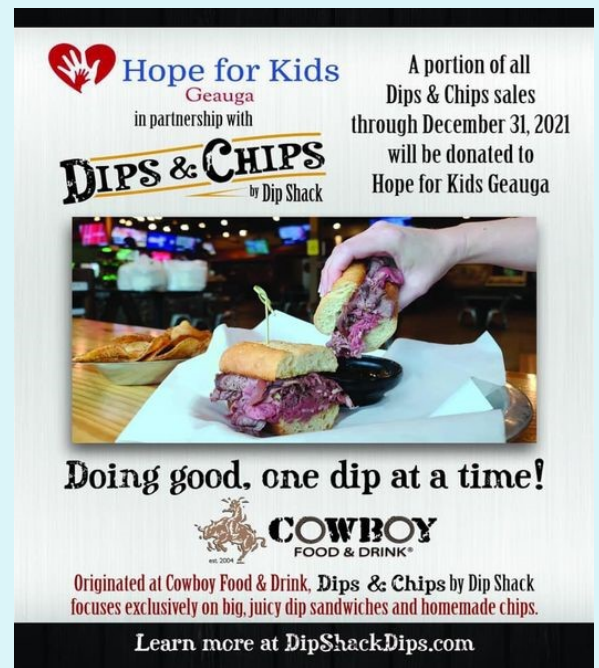

*Hope for Kids Geauga and the Geauga Children's Alliance have consolidated their mission and organization.*

A heartfelt thanks to all of you who have helped support Geauga Children's Alliance in the past!

After nearly two decades of supporting the children and families of our community, Geauga Children's Alliance has taken steps to consolidate its mission and organization with that of another community-based non-profit, Hope For Kids Geauga. GCA and Hope for Kids were almost identical in purpose and function and provided support to many of the same Geauga County services.

The trustees of GCA have formally concluded its activities as a non-profit while committing all of its remaining assets and resources to Hope For Kids. The Board of Trustees of GCA were unanimous in their support of this action believing that Hope For Kids Geauga was in the best position to continue serving the community. Several board members of GCA will be joining the board of Hope For Kids.

Hope for Kids Geauga will carry on the good work of the Geauga Children's Alliance, enriching the lives of abused, neglected and at-risk children and young adults in Geauga County.
